**Declarations**

---

The applicant, by participating to this public procedure, under its own responsibility

**DECLARES:**

- that the project has not been presented publicly on a previous occasion;
- that the applicant has the licences required to use all the sources and products involved in the completion of the project;
- that applicant must not be described as any of the conditions in Article. 9 - "causes of exclusion ";
- that if the activity for which the grant is awarded involves the use of any items which may be subject to copyright, current regulations regarding intellectual property must be complied with;
- that the same individual cannot apply for more than one of the award types described in this regulation, neither upon types indicated in the pre-informative notice. If an applicant is to submit more than one application, all the applications he/she has submitted for this call will be rejected;
- these grants are incompatible with any other grant or award for the same purpose from the Municipality of Alghero, bodies associated with the Municipality or those in which it has holdings or from any other public or private organization;
- all materials produced and financed by the grant allocated, will include the logo of the I AM Project, that of the European Commission and that of the European Neighbourhood and Partnership Instrument's Mediterranean Sea Basin Programme (ENPI CBC MED)
- If the applicant does not normally reside in Italy, he/she declares explicitly that his/her country of residence for tax purposes is \_\_\_\_\_
